(DOI: [10.70885/hmsj.2026.08.001](https://doi.org/10.70885/hmsj.2026.08.001))

The authors would like to add the following acknowledgement, which was inadvertently omitted from the published article:

"The authors sincerely thank Professor Pierre Hoffmeyer, who originated this project on cerebral activation in cases of glenohumeral instability. Although he did not participate directly in this specific study, he was the cornerstone of this remarkable series of publications."

These corrections do not affect the results, interpretation, or conclusions of the article.
